The screenshot shows the Cloudant Databases dashboard in a web browser. The browser's address bar displays the URL: `f2f0d2c9-8d33-4637-a8bd-1c6310d11b92-bluemix.cloudant.com/dashboard.html`. The dashboard has a dark sidebar on the left with various icons. The main content area is titled "Databases" and includes a "Database name" dropdown, a "Create Database" button, and icons for JSON, a book, and a bell. Below this is a section labeled "Your Databases" containing a table with the following headers: "Name", "Size", "# of Docs", "Partitioned", and "Actions". The table is currently empty. At the bottom of the dashboard, it says "Showing 1-0 of 0 databases." and "Databases per page 20". The Windows taskbar at the bottom shows several open PDF files and the system clock indicating 6:00 PM on 11/13/2022.

This screenshot shows the same Cloudant Databases dashboard, but with the "Create Database" modal open on the right side. The modal has a title "Create Database" and contains the following fields and options: a "Database name" field with the placeholder text "database-name"; a "Partitioning" section with two radio buttons: "Non-partitioned - recommended for most workloads" (which is selected) and "Partitioned"; and a link that says "> Which should I choose?". At the bottom of the modal are "Cancel" and "Create" buttons. The background dashboard is partially visible, showing the same table and status as the previous screenshot. The Windows taskbar at the bottom shows the system clock indicating 6:01 PM on 11/13/2022.
